Where Nature Meets Comfort

Welcome to Casa Samara

A private retreat in the heart of Costa Rica

Near Hojancha, surrounded by tropical greenery and the unique atmosphere of the Nicoya Peninsula, Casa Samara is a place for those who value nature, tranquility and stylish living.

Large windows bring the landscape directly into the house. Warm wood tones, natural materials and a deliberately calm design create a welcoming atmosphere where you can feel at home from the very first moment.

Whether enjoying a relaxed morning coffee, a refreshing swim in the private pool (from 2027) or a peaceful evening on the terrace, Casa Samara combines its teak-wood architecture and connection to nature with modern comfort.
